Sir,

I am addressing this letter in connection with the grant of site for the Basaveshwar Engineering College and other Educational Institutions of the Basaveshwar Vidya Vardhak Sangh, Bagalkot. The Basaveshwar Vidya Vardhak Sangh is running number of Institutions and among them are Basaveshwar Arts & Science College, Polytechnic., three full grade High Schools and the Engineering College and other Institutions. The Basaveswara Sangha had approached the Govt. to allot about 150 acres or more of forest land near ~~the~~ Bagalkot, and the construction of Engineering College is held up on account of the site being not made available. So I request you to kindly take immediate steps to hand over the site. The said forest area is nothing but a stony hillock but it is best suited for the site of the Engineering College Campus and other educational institutions. It was represented to the Hon'ble Chief Minister when he was pleased to preside over the inaugural function of the said Engineering Co, I am approaching you to finalise the matter as early as possible.

Thanking you,
